OCTOBER 2017

MEET YOUR MANAGEMENT TEAM

Amy Weber, Property Assistant

Tell us about your work experience.

I began as an administrative assistant in 1999 where I worked for the AMF Bowling Center district office in Overland Park. After the births of my two children, I ran an in-home daycare until the kids became full-time students. I then joined Nebraska Furniture Mart for seven years; two of those spent at the new location in The Colony, Texas, where I helped set up the distribution center and back office processes. Upon my return to Kansas City, I joined Block Real Estate Services, LLC and have now been here for more than a year and look forward to many more years to come!

Since working for the property management division of Block, I have enjoyed learning something new every day and getting to know the Pine Ridge tenants.

If you're not working, you're probably ...

Driving my kids somewhere — usually to practice or a game. My son is a sophomore who plays baseball and basketball for Lee's Summit North High School. My freshman daughter is on the high school softball team and also plays competitive softball with The 14A Originals.

I have a huge interest in scrapbooking. I love to look back at the milestones achieved and fond memories created with my husband, children and our two dogs.

I also enjoy going to the lake. You just can't beat a sunset boat ride on water that is as smooth as glass.

TENANT TIP

Winter will be here before you know it! Make sure to schedule your seasonal HVAC inspection to ensure your system is prepared for dropping temperatures. Please email [Amy Weber](mailto:amy.weber@blockrealestateservices.com) the completed inspection.
